Appendix III – DATA PROTECTION DISCLOSURE STATEMENT

Introduction

This document outlines our data protection obligations and your data protection rights as they relate to your investment in the Fund under the EU data protection regime introduced by the General Data Protection Regulation (Regulation 2016/679, the "**Data Protection Legislation**").

The Fund will be characterised as a "data controller" under the Data Protection Legislation. The Management Company, the Investment Manager and the Investment Advisor and its affiliates and delegates may act as "data processors" under the Data Protection Legislation.

In this document, "we", "us" and "our" refers to the Fund, the Management Company, the Investment Manager and the Investment Advisor and its affiliates and delegates.

Your personal data

You understand that by virtue of making an investment in the Fund and your associated interactions with us (including this application, and including the recording of electronic communications or phone calls where applicable) or by virtue of you otherwise providing us with personal information on individuals connected with you as an investor (for example directors, trustees, employees, representatives, shareholders, investors, clients, beneficial owners or agents), you will provide us with certain personal information which constitutes personal data within the meaning of the Data Protection Legislation. This includes, but is not restricted to, data such as your name, residential address, email address, place of birth, date of birth, bank account details and details relating to your investment activity.

Why we may use your personal data

You understand that we may collect, store and use this data for lawful purposes including, in particular: (i) where this is necessary for the performance of the contract to purchase shares in the Fund; (ii) where this is necessary for compliance with a legal obligation to which we are subject (such as the anti-money laundering obligation to verify the identity of our customers (and, if applicable their beneficial owners) and retain copies of materials in respect thereof for five years after the relationship terminates); and/or (iii) where this is necessary for the purposes of the legitimate interests of us or a third party and such legitimate interests are not overridden by your interests, fundamental rights or freedoms.

It is noted that the Data Protection Legislation states that the use of personal data for direct marketing purposes (that is, providing you with information on products and services that may be of interest) may be regarded as being for the purposes of a legitimate interest. Analysing personal data for quality control, business and statistical analysis, tracking fees and costs, training and related purposes are also legitimate interests for using your personal data.

Accordingly, you understand that we may use your personal data for such purposes as described above, provided that we are acting in a fair, transparent and accountable manner and have taken appropriate steps to prevent such activity having any unwarranted impact on you and also noting your right to object to such use, as discussed below.

Given the specific purposes for which we envisage using your personal data, under the provisions of the Data Protection Legislation, we do not anticipate being required to obtain your consent to do so. Should we wish to use your personal data for other specific purposes that require your consent, we will contact you to request this.

Why we may transmit your personal data

You understand that in certain circumstances we and/or our authorised delegates may be legally obliged to share your data and other financial information with respect to your interest in the Fund with the Irish Revenue Commissioners and they, in turn, may exchange this information with foreign tax authorities including tax authorities located outside the EEA.

We anticipate disclosing your personal data to the Administrator, the Management Company, the Investment Manager and the Investment Advisor and their respective affiliates and this may include certain entities located outside the EEA.

The data protection measures we take

Any transmission of personal data by us or our duly authorised delegates outside the EEA shall be in accordance with the conditions in the Data Protection Legislation.

We and our duly authorised delegates shall apply appropriate information security measures designed to protect data in our/our delegates' possession from unauthorised access by third parties or any form of computer corruption.

We shall notify you of any personal data breach affecting you that is likely to result in a high risk to your rights and freedoms.

Your data protection rights

You understand that you have certain rights regarding our use of this data such as:

- the right to access your data (in an easily readable form);
- the right to examine and correct your data;
- the right to restrict the use of your data;

- the right to withdraw any consent given to the processing of your data (where applicable);
- the right to receive information regarding any entities we disclose your data to;
- the right to lodge a complaint with the Office of the Data Protection Commissioner (our lead supervisory authority).

You also have the right to object to the processing of your data where we have considered this to be necessary for the purposes of our legitimate interests.

Please note that the right for your data to be erased (the "right to be forgotten") that applies in some contexts under the Data Protection Legislation is not likely to be applicable to most, if not all, of the personal data you provide to us, given the specific nature of the purposes for which we use the data, as described above.

Our retention of your personal data

We or our duly authorised delegates may retain your personal data for a period of up to seven years following your disinvestment from the Fund.

Getting in touch

As we do not process personal data on a large scale, we are not required to designate a data protection officer. However, should you have any queries or wish to discuss your data protection rights with us, please contact ManCo@davygfm.com.
