

Why IQ-EQ Isle of Man (IOM)

The Isle of Man (IOM) has been an established international finance centre for more than 50 years. The finance industry encompasses banking, insurance, fiduciaries, funds and wealth management, pensions, and professional services. The Isle of Man Ship registry is one of the world's leading registers of ships and super yachts. It is also home to one of the largest private business jet registers in the world. The Isle of Man is one of three island territories within the British Isles, known as Crown Dependencies. It is not part of the United Kingdom, but a self-governing possession of the British Crown.

Why choose IQ-EQ in Isle of Man

Holistic offering: We understand that you have needs across the different segments and asset classes, we can provide one of the most complete sets of offerings for alternative asset managers, private and institutional asset owners in the market

Global network: You have structures and investment needs across the globe and we can accompany you by delivering expertise across each of our 25 jurisdictions

Proprietary technology solutions: Technology is a key component of your strategy and we have developed our own technology solutions such as MaxComply our RegTech system and IQ-EQ Cosmos, our multi-asset class portfolio monitoring platform

The Isle of Man is a proven **technological base** for many **global e-commerce businesses**

ESG solutions: To help you to be in line with ESG regulations, we have developed a comprehensive ESG solution for asset managers, investors, and their portfolio company

The Island has a record of **positive GDP growth and stability** for over 30 years

Service standards: We understand that there is no one-size-fits-all approach for our clients and we pride ourselves on offering a boutique and flexible style to client servicing. Each of our clients have a Client Servicing Director and team, who are dedicated to client servicing alone, enabling us to provide you with attention to detail and a high-touch, highly responsive approach

How IQ-EQ can help

As your business expands, so too do compliance, risk and administrative burdens. We provide a 'one stop shop' back-office outsourcing solution for business functions including finance and accounting, tax compliance, as well as our front-office support services.

With our support, your company can continue to grow while avoiding the standard business bottlenecks. Our tailor-made solutions enable you to not only focus on your firm's core activities but also retain its entrepreneurial speed and agility as it expands.
