## Risk and Reward Profile

Lower risk ← Higher risk  
Potentially lower reward ← Potentially higher reward

1	2	3	4	5	6	7
---	---	---	---	---	---	---

- Historical data may not be a reliable indication for the future.
- The Risk and Reward profile is not guaranteed and may change over time.
- The lowest category does not mean 'risk free'.
- The Fund is in category 5 (denoting medium risk, but with the potential for better reward) due to the implementation of its investment policy and process. This rating is not a measure of the risk of capital loss but a measure of the Fund's price movement over time.

The Fund is actively managed and is not managed in reference to a benchmark, however, the Fund's performance may be measured against the MSCI World Index. The Fund does not operate any form of target to outperform a benchmark index.
