

Payment Intermediary System Licence

Mauritius is strategically located in the Indian Ocean between Asia and Africa with a strong reputation as an International Financial Centre. International payment service providers consider Mauritius as a jurisdiction of choice for payment activities due to its strong regulatory framework and the conducive eco-system conversant with these types of activities. The Payment Intermediary System (PIS) licence covers businesses involved in managing and processing payments between customers and merchants.

A holder of a PIS licence must conduct business exclusively outside of Mauritius and the minimum capital requirement is MUR 2,000,000 (approximately USD 45,000).
