

Aviation Leasing and Finance Services

If you're looking for help with managing your international aircraft leasing and financing operations, we understand the challenges that come with it. Our aviation investment and aircraft leasing services can be customised to meet the needs of airlines, lessors, financiers, and private equity firms.

Our expert teams are well-versed in aviation investment and can help you navigate the complexities of financial aviation structures. From transaction closing to maturity, we provide guidance on all aspects of aviation investment, including aircraft financing, LIFO and operating.

Company, SPV and fund formation

Our dedicated team can assist with the speedy set up of a new Company/SPV/fund structure

- Incorporation
- Bank account opening
- Tax registration

Aviation registry agent

We can act as your Transaction User Entity ("TUE") on an ongoing basis. Our team provides independent services to those with a relevant interest in respect of airframes and engines, ensuring that those interests are recorded correctly and efficiently at the International Registry of Mobile Assets.

Financial administration and reporting

With an in-depth understanding of the industry, our team can support all your accounting and reporting requirements

- Bookkeeping
- Annual and periodic management accounts
- Preparation of financial statements
- Management of audit process
- SPV reporting

Regulatory and tax compliance

We have international tax service professionals with extensive experience of cross-border transactions and business operations in various countries, and we can manage the completion and submission of VAT returns for the leasing transaction, payroll and FATCA/CRS.

Corporate secretarial and directorships

Our global team of chartered secretaries and administrators can take care of all statutory submissions; arrange and minute all board, committee and shareholder meetings; provide registered office and safe custody services; and act as a processing agent.

Trustee Services

Trustee services have grown in popularity as clients look for independent, non-conflicted trustees.

- Note trustee
- Security trustee
- Owner Trustee

Managing agent services – ABS structures

We oversee and provide updates on the performance of third-party service providers as outlined in operative agreements while interacting with the various rating agencies to establish the impact of management decisions on the rating of securities. We prepare investor reports and manage relationships with third-party professional advisers on behalf of clients, in addition to providing accounting, administration and regulatory and compliance reporting.

Lease management services

As an independent third party, we provide a full suite of lease management services across private, rated and non-rated transactions.

- Lease administration including rental
- Calculation, invoicing and collection
- Agency roles
- Lease administration
- Event diary/management
- Bespoke reporting

Cash management services

Through our relationships with leading global banks and our strategic alliances with online global financial service providers like Ebury and Alpha Group, we provide clients with access to a wide range of treasury and global cash management solutions. This includes account opening, crossborder payments, and FX risk management.
