

## Why IQ-EQ UAE

The spectacular transformation of the United Arab Emirates (UAE) over the past few decades had led to its recognition as a leading hub for the global business and investing community and represents a key strategic market for IQ-EQ. In 2023, we established a physical presence in the Dubai International Financial Centre (DIFC) and Abu Dhabi Global Market (ADGM), both leading international financial centres that have grown strongly and continue to witness healthy double-digit growth. Our DIFC and ADGM offices complement our global offices in servicing clients and offer a comprehensive range of services across multiple alternative asset classes and entity types, spanning financial service / investment firms, family offices / HNWI / UHNWI's, MNC's and institutions.

- Ranked 16<sup>th</sup> globally in the World Bank's Ease of Doing Business Report 2020
- 8<sup>th</sup> globally and 1<sup>st</sup> regionally in Kearney's Foreign Direct Investment Confidence Index
- No. 1 Arab country in the FinxAr Index, which assesses fintech adoption efforts
- 25<sup>th</sup> most competitive economy globally in the Global Competitiveness Report 2019, leading the MENA region
- State of the art industrial and commercial areas, with more than 40 free zones that allow 100% foreign ownership of business

### Establish your investment structures in UAE's international financial centres

#### Dubai International Financial Centre (DIFC)

- Leading financial hub for the Middle East, Africa and South Asia region, over 20-year track record
- Unique legal and regulatory framework based on international standards tailored to the region's unique needs
- Family Wealth Centre providing best-in-class, unique and tailored services for family businesses and UHNWIs
- Developed its own body of case law and regulations based on common law principles

#### Abu Dhabi Global Market (ADGM)

- Abu Dhabi, wherein ADGM is domiciled, is home to some of the world's largest sovereign wealth funds, providing strong access to capital
- Provides transparency, efficiency and integrity through its progressive frameworks and future focused infrastructure, thereby creating a platform for success
- Stellar performance, fastest growing financial centre in the region for two consecutive years
- Provides for direct application of English common law

The DIFC and ADGM are both ecosystems by themselves with their respective independent registration authorities, regulators and courts, providing confidence in the operating and legal system to the global investing community.

## Why choose IQ-EQ

**Holistic offering:** We understand that you have needs across the different segments and asset classes, we can provide one of the most complete sets of offerings for alternative asset managers, asset owners in the market

**Global network:** You have structures and investments' needs across the globe and we can accompany you by delivering expertise across each of our 25 jurisdictions

**Proprietary technology solutions:** Technology is a key component of your strategy and we have developed our own technology solutions such as MaxComply our RegTech system and IQ-EQ Cosmos, our multi-asset class portfolio monitoring platform

**ESG solutions:** To help you to be in line with ESG regulations, we have developed a comprehensive ESG solution for asset managers, investors, and their portfolio companies

## How IQ-EQ can help

Customised entity setup and ongoing support solutions to give you peace of mind that your business and personal investment needs are being well looked after. We liaise with various other stakeholders including banks, law firms, auditors and assist to structure and outsource your administrative needs for efficient operations.
