

Why South Africa

- Strategic gateway to Africa's one billion strong consumer market
- Economic leader in Africa and member of the BRICS group
- Rapidly growing middle class with increasing purchasing power
- Advanced infrastructure and strong innovation, R&D, and manufacturing capabilities
- Emerging hub for green technologies and sustainable industries
- Mature financial, legal, and telecommunications sectors
- Wide range of investment incentives and industrial financing support
- Trade-friendly policies that promote international expansion

Why choose IQ-EQ in South Africa

Holistic offering: We understand that you have needs across the different segments and asset classes, we can provide one of the most complete sets of offerings for alternative asset managers, corporates and asset owners in the market

Proprietary technology solutions: Technology is a key component of your strategy and we have developed our own technology solutions such as MaxComply our RegTech system and IQ-EQ Cosmos, our portfolio monitoring platform

Global network: You have structures and investments' needs across the globe and we can accompany you by delivering expertise across each of our 25 jurisdictions

Industry-leading administration and accounting softwares: We rely on quality data such as Allvue, Yardi, FIS Investran and PFS Paxus

ESG solutions: To help you to be in line with ESG regulations, we have developed a comprehensive ESG solution for asset managers, investors, and their portfolio companies
