

Financial Crime Compliance Support

Overview

Financial Crime regulations directly affect your Firm's day-to-day operations and investment onboarding process.

We recognise the importance of assisting you in meeting these obligations in line with jurisdictional requirements.

IQ-EQ:

- Understand each Firm we partner with
- Effectively assist you with the development and integration of Financial Crime best practice in line with jurisdictional requirements
- Keep pace with the latest regulatory and enforcement trends

How we can help

We provide comprehensive support and expertise with relevant regulations.

Our team help clients identify, prevent, and mitigate financial crime (AML/KYC) risks, including market abuse, anti-bribery and corruption.

Key Services:

Regulatory Guidance and Updates:

Timely updates on regulatory changes and evolving industry best practices.

Aim: Ensure you remain in compliance with the latest regulations.

Risk Assessment, Mitigation and Control Mapping:

Map and risk weigh each of your financial crime controls. Conduct thorough and proportionate risk assessments.

Aim: Know and manage your Financial Crime Risk exposure.

Policy and Procedure Development:

We assist in the creation and implementation of robust bespoke policies and procedures that align with regulatory requirements.

Aim: Rely on processes that bolster your institution's defence against financial crimes.

Training and Education:

Equip your staff with the knowledge and skills required to identify and report suspicious activities.

Aim: Foster and maintain a culture of compliance within your Firm.

**Investment Due Diligence:**

We undertake due diligence reviews on the investment target, applying specialist knowledge, peer group practice - applying a risk-based approach. We take on the responsibility for gathering and reviewing all the relevant AML documentation.

Aim: Centralise and complete reviews efficiently and swiftly to meet tight deadlines.

**Customer Due Diligence:**

Conduct comprehensive AML/KYC due diligence on clients, customers, and counterparties to ensure that you are dealing with legitimate entities and individuals.

Aim: Minimise the risk of fraudulent activities.

**Suspicious Transaction Investigation Support:**

In the event of a suspicious transaction, our team provides guidance and support throughout the investigation process.

Aim: Gather evidence, help report STORs (Market Abuse) and/or SARs (Money Laundering) and if needed liaise with regulatory authorities effectively.

**Reporting and Record-Keeping:**

Ensure compliance with record-keeping requirements and assist in the preparation of timely and accurate regulatory reports.

Aim: Compile reliable MI and retain the necessary information.

Tailored Solutions: Our services are tailored to the specific needs and size of your institution, whether you are a small financial firm or a large institution with a diverse range of financial products and services.

Aim: Develop customised strategies to mitigate the risk of financial crime.
