

Why IQ-EQ Guernsey

Guernsey is a long-established financial centre of excellence of more than 50 years. Its key finance sectors are wealth management, funds, fiduciary services, insurance and banking. One of three island territories within the British Isles, Guernsey boasts an environment of political stability and high-quality regulation.

The island has led the way in innovation, establishing the first protected cell company (PCC) in 1997 and launching the Guernsey Green Fund, the world's first regulated green fund, in 2018. Guernsey is also the headquarters of The International Stock Exchange and offers a regulated marketplace with globally recognised clients.

IQ-EQ Guernsey's presence in the island spans over 40 years, making it one of the oldest jurisdictions in the Group. With over 120 people experienced in all areas of private wealth, fund and corporate services, we can provide a holistic offering to meet all of your needs.
